The stock required for this project is for one Landscape Portrait, if you are making more than one, simply increase the number of items you require by the number of people who will be participating.

Items required for kit

- Bits and Pieces to decorate your landscape. For example, patty cake cases, stickers, pieces of coloured paper, foil, icy pole sticks, etc
- 1 x A4 Cardboard

You will need:

- Pencils, Textas, glitter, stickers etc, as per your preference to decorate
- Sticky tape or glue

Instructions

- An adult firstly needs to draw a basic drawing of a house with windows and landscape. Keep it simply, give it a little fence, some outlines of some flowers etc, giving the kids a guide as to what to decorate. E.g. patty cake cases make great flowers.
- Let the kids use their imagination decorating the landscape to their liking.
