

Feather Eye Masks

Items in kit

- 1 pkt cardboard face masks OR 1 piece of thick card
- Feathers – Note: you can purchase small bags of coloured feathers from the craft shop ideal for this activity.
- Elastic tie – Note: if you buy the face mask it may come with elastic.

You will need:

- Stapler – to fix feathers to masks
- Pencils, Textas, glitter, stickers, pictures etc, as per your preference to decorate

Instructions

- If you are making the eye mask from scratch, draw an outline of a mask on your card and cut it out. Don't forget to cut out circles for the eyes!
- Decorate the face masks as you desire using feathers and other decorating supplies.
- Ensure there are two small holes on either side to tie the elastic to the masks, adjusting to fit the child's head.
