

King and Queen Crowns

The stock required for this project is for one king or queen crown, if you are making more than one, simply increase the number of items you require by the number of people who will be participating.

Items required for kit

- Cardboard crowns, note you can either purchase these at a craft shop, or simply buy a piece of cardstock, big enough to fit around your child's head, then draw a straight line at the bottom and a zig zag line about 10 cms above this, then cut out the strip, creating a crown.
- Jewels to decorate, you can either purchase little self adhesive jewels for ease of use, or why not buy stickers or coloured paper and cut out your own jewels. It's completely up to you.

You will need:

- Sticky Tape – to secure crown
- Glue – to stick jewels to crown
- Scissors – To adjust size of crown
- Pencils, Textas, glitter, stickers etc, as per your preference to decorate

Instructions

- Place the crown around the child's head first and adjust to fit, cut off any excess
- Whilst flat decorate the crown to your liking using any of the embellishments you've placed in your kit.
- Sticky tape the other end of the crown together to form a round crown
